2. Create a course registration form as shown below:

The image shows a registration form titled "Registration Form". It is divided into two main sections. The first section contains fields for "Name", "Father's name", "Mother's name", "Email", "Gender" (with radio buttons for "Male" and "Female"), and "Password". The second section contains fields for "Address", "City" (a dropdown menu labeled "Select City"), "Zip code", "Phone No", "Courses" (with checkboxes for "App Development", "Marketing", and "Editing"), and "Upload CV" (with a "Choose file" button and "No file chosen" text). At the bottom of the form are two buttons: "Submit" (orange) and "Reset" (red).

3. Create a form as shown below along with validation.

- First Name, Last Name, Department / Office must be alphabetic only.
- Username, password, confirm password, and E-mail should be alphanumeric.
- Contact No. should be numeric only

The image shows a registration form with the following fields: "First Name", "Last Name", "Department / Office" (a dropdown menu labeled "Select your Department/Office"), "Username", "Password", "Confirm Password", "E-Mail" (labeled "E-Mail Address"), and "Contact No." (labeled "(639)"). At the bottom of the form is a single orange button labeled "SUBMIT" with a right-pointing arrow.
